

Don't Fall for It! You DO need your own structure broker.

You wouldn't let the defense force you into using their experts, so don't fall for the line about having to use their structure broker either! Bring Kelly Ramsdale & Associates into your case to make sure your clients' interests are top priority!

ADVANTAGES:

You never wonder where our loyalties lie!

- We work **EXCLUSIVELY** with plaintiffs and their attorneys to provide qualified and non-qualified structured settlements.

We can often get better rates for your client!

- We shop **ALL** of the A+ rated life markets regardless if the defense insists on using a restricted list of markets.

One size does **NOT** fit all!

- We put in the time to work with your clients to build the **BEST** plans to meet **THEIR** specific needs.

We make you look good!

- We assist in the preparation of documents, as well as review and correct documents drafted by the defense so that things are done right the first time.

“I want someone who I trust in the mediation room with my client and me. I don't trust the defense structure experts any more than I trust their liability and damages experts. Kelly Ramsdale & Associates always makes sure that my clients' interests are a top priority.”
