

NEWS UPDATE

Hope this e-mail finds you well! Just thought I would reach out to remind you that we're here to help your clients, you, or your friends with various products and services:

- Structured settlements for personal injury victims and their families;
- Structured settlements for attorney fees;
- Structured settlements for non-physical injury cases (punitive, estate distribution or divorces, for example)
- Non-structured settlement annuities (for retirement or general investing—immediate or deferred)
- Medicare Set-Aside Trust partnership with Medivest, a nationally-renown Medicare consulting firm. I have worked with them on various products for over a decade and I trust them. There are numerous firms pitching their services...who can you trust?
 - I recently saved my client **over thirty thousand dollars** by structuring the MSA allocation amount rather than having her fund the allocation in cash.
- Trusts—Spendthrift, Special Needs Trusts, Medicare Set-Asides
